

# HOME BANKING UPGRADE NOTIFICATION

We are excited to announce an upgrade to our Home Banking product effective **02/25/2015**. This change will be accompanied by a new look and features to the product that will allow us to provide a better service to our Members.

In order to keep your Home Banking access secure, please follow the directions below to update your User information. For security reasons, this process will require you to update your Home Banking access.

Directions:

1. Visit our home page at <http://www.otpfcu.com>
2. Click on Home Banking.
3. Select Enroll.
4. Enter your existing Account Number.
5. Answer the questions presented.
6. Create User ID and Password.

You will be using the new User ID and Password (Credentials) as you go forward. With each device, you will be prompted upon first login to answer a security question.

Thank you for taking the time to update your Home Banking access.
